Dear Sir,

FOURTH ASSISTANT SECRETARY TO GOVERNMENT

Subject:- The question of financial assistance to State Governments for collection of proper statistical data.

I have to inform you that in the last Annual General Meeting of the Board the following Resolution was passed (vide page 8 of the Minutes which have already been sent to you):-

> "The question of financial assistance to State Governments, for collection of proper statistical data was then taken up for consideration and it was decided that such assistance should be extended in the first instance to the Governments of Madras, Mysore, and West Bengal and that there should be special Statistical Section in the office of the Board for collecting, compiling, and interpreting the figures received. For this purpose, it was decided that the Secretary should examine the 1950-51 Budget Heads and make a provision of a total sum of Rs.15,000/- during the current financial year."

2. I have also to inform you that the subject is at present under my examination and that I shall further write to you in this connection in due course.

Yours faithfully,

Dear Sir,

Sub:- The question of financial assistance to State Governments for collection of proper statistical data.

In connection with the above mentioned subject, I have written a letter,-No. CSB/49/4(A) dated the 11th September, 1950 to the Revenue Secretary to the Government of Mysore, Bangalore, a copy of which is enclosed herewith which you will find self-explanatory.

2. I believe that the Mysore Government's estimates would almost equally apply to Madras and I therefore send you herewith a Demand Draft for the same amount as I have sent to Mysore Government, namely Rs.3,000/- (Rupees Three Thousand only). This is to cover the expenses of the services of a Clerk and a Literate Attender in the Sericultural Section of your Industries Department for a period of eighteen months from 1st October, 1950 to the 31st March, 1952.

3. Please acknowledge receipt of the amount.

Yours faithfully,

Dear Sir,

Subject:- The question of financial assistance to State Governments for collection of proper statistical data.

With reference to our previous correspondence with you on the subject, resting with our letter dated 22-8-1950, I enclose herewith Demand Draft for Rs.3,000/- only (Rupees Three Thousand only) which should cover for the expenses of the services of a Clerk and a Literate Attender for a period of 18 months from 1st October, 1950 to the 31st March, 1952.

2. You will remember that in your letter to me dated 25-2-1950 you estimated your expenses as follows:-

> "The only reliable method of obtaining statistics of monthly production would be to maintain a register of all the reeling establishments and to obtain from them a monthly statement of production. This would need the services of a clerical establishment, viz., a clerk on Rs.60-5-90-6-150 and a Literate Attender on Rs.25-1-30. The cost on account of this establishment comes to about Rs.1,740/- per annum exclusive of the Dearness Allowance allowed to them."

3. On the basis of this estimate we find that you would require Rs.2,000/- for a year and Rs.3,000/- for a period of 18 months.

4. Regarding the other two State Governments of West Bengal and Madras, we are sending them similar contributions in accordance with the Resolution passed by the Board in its last meeting.

5. Please acknowledge receipt of the amount.

Yours faithfully,
